## UV SANITIZER

EL-CLEAiR is based on the proven UVGI method using the chemically-free Ultraviolet LED to disinfect germs, bacteria, viruses and sanitize your daily articles. UV light destroys the DNA of the microorganisms, thus permanently inactivating it in just 10 minutes.

## AIR PURIFIER

Remove dust, pet dander, pollen, mold, common allergens and other airborne pollutants with 99.97% efficacy up to 0.3 microns, using a HEPA D2986 Standard filter with multi-layered netting technology. EL-CLEAiR mitigates the spread of all air and contact born diseases.

## ODOUR NEUTRALIZER

Enjoy fresh air as you enter the room while EL-CLEAiR removes foul smells, keeping your air clean and odour free. EL-CLEAiR uses Tri-Band\* UV Nature Booster technology to eliminate odor.
